

ARML Song Contest

At Penn State University

Register by 8:00pm (Findlay Commons) - Friday May 29, 2009
Performances at 9:35pm – Friday May 29, 2009

Teams are encouraged to write a song about the ARML competition, their trip to Penn State, their ARML team, or math in general. This is a great team building activity for teams to work on during their trip to Penn State or during the day on Friday.

A sign up sheet will be posted outside the registration booth in Findlay Commons and teams are encouraged to register for the competition upon arrival. All teams wishing to participate must register by 8:00 pm Friday evening.

The song competition will be held on Friday evening in Findlay Commons at 9:35 pm. The audience, along with ARML judges, will select the winner. The winning team will perform following the Super Relay during the competition on Saturday.

Teams are allowed to have as few, or as many performers as they want (1 or 2 up to 15), but each team is limited to one entry. Alternates may compete on the team that they came to Penn State with.

Songs will be judged based on originality, creativeness, and overall presentation. Songs must be limited to thirty seconds and any entries with inappropriate content or dress will be disqualified.
